Institute of the International Association for Research and Testing in the Field of Textile Ecology (Oeko-Tex)

The company

Tytext Group

Industrivej 21

7430 Ikast, DENMARK

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 1319876-70-16**

Tested for harmful substances

according to Oeko-Tex® Standard 100
6234-7001 DTI Denmark

for the following articles:

Maternity underwear: Bras, briefs, support belts, tank tops, made of knitted polyamide/elastane or polyester/elastane in colours white, black, beige, light rose. Tank tops in colours dark blue, blue cobalt, honey suckle, sweet red and turquoise atoll as well. Bras made of knitted cotton/polyamide/elastane in colours white, black, beige. Baby briefs made of polyester/elastane, white.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.01.2015

Taastrup, 14.02.2014
